

DIRECTIONS TO

Swift Micro Laboratories

CAPE TOWN

Directions to Swift Micro Laboratories, Cape Town

Cape Town clients will easily find their way to our offices and laboratory as it is next to **Access Park** and across the road from **Kenilworth Centre** (two well-known Cape Town landmarks).

The back of the clearly-branded grey Swift building (previously owned by Renault), is visible from Chichester Road directly opposite Kenilworth Centre, but the entrance is from Warrington Road.

From Chichester Road, turn into Garfield Road at the Engen Garage, and immediately right into Warrington Road.

The Swift building is next to the Engen Garage on the right.

CAPE TOWN

7 Warrington Road, Claremont
