

DIRECTIONS TO

Swift Micro Laboratories MIDRAND

Directions from Pretoria N1 (via Ben Schoeman)

Travel South on the N1 towards Johannesburg.

Take the M 71 "New Road/Grand Central Airport" turnoff.

Turn left at the traffic light on top of the bridge.

Turn left into 16th Road at the next traffic light (Toyota and Honda dealerships on either side).

Cross the 3-way stop (Medical Road) and continue for approx 300m past the Hyundai dealership.

Turn right into Constantia Square Office Park.

Continue past the security booms and across the stop street down the steep hill. Stellenryk Building is on your right.

The last entrance before you reach the corner of the building will give you access to **Swift's Laboratory and Admin Section** on the 1st floor.

To enter **Swift Training Centre**, continue around the corner of the building and use the entrance

between the 2 buildings (before entering the courtyard) to access the stairs which will take you to the 1st floor.

Directions from Johannesburg N1 (via Ben Schoeman)

Travel North on the N1 towards Pretoria.

Take the M 71 "New Road/Grand Central Airport" turnoff.

Turn right at the traffic light on top of the bridge.

Continue straight over intersections and turn left into 16th Road at the next traffic light (Toyota and Honda dealerships on either side).

Cross the 3-way stop (Medical Road) and continue for approx 300m past the Hyundai dealership.

Turn right into Constantia Square Office Park.

Continue past the security booms and across the stop street down the steep hill. Stellenryk Building is on your right.

The last entrance before you reach the corner of the building will give you access to **Swift's Laboratory and Admin Section** on the 1st floor.

To enter **Swift Training Centre**, continue around the corner of the building and use the entrance between the 2 buildings (before entering the courtyard) to access the stairs which will take you to the 1st floor.
